

CONFIGURATION OVERVIEW

An enclosed all-terrain personnel carrier for safe crew movement between demanding and isolated work sites.

PROJECT CAPABILITIES

- Enclosed insulated crew body
- Seating and access configuration
- All-terrain personnel logistics

TYPICAL APPLICATIONS

Shift transport / mining camps / oil and gas sites / remote construction

INDICATIVE PROFILE

DRIVE	6x6
BODY	Enclosed personnel module
SEATING	Configuration-dependent
CLIMATE	Heating and cooling options

Indicative project brief. Final specification, availability, certification, export eligibility and commercial terms are confirmed individually.
